SPRING – SUMMER 2013

Issue 32

BOROUGH INFORMATION & NEWS

It's only a few weeks until Spring and most of us are looking forward to longer and warmer days ahead. As you read on from the first **CHILLY** article, may you find **warmth** in the early signs of Spring.

WINTER 2012-2013

Jacobus Borough's Winter Maintenance costs for the 2012-2013 season-to-date totaled \$18,105.00.

Every year Pennsylvania municipalities receive a distribution from the State's Motor Fuels Tax Funds collected in the prior year. Allocation amounts for the Liquid Fuel funds are based on the number of miles of streets and the population within the municipality– the streets must meet particular PA DOT specs for size to be included in the mileage. Jacobus Borough has 5.68 street miles and a population of 1841. The Borough's Liquid Fuels Tax allocation for 2013 is estimated to be 34,774.60. The funds are highly regulated by the Dept. of Transportation for approved uses and are audited every two years. Jacobus Borough's actual allocation, received on April 1st of each year, is used mainly for the approved expense of winter maintenance.

Want to get rid of unwanted gravel left-over from snow removal? Clean it up & take it to Jacobus Community Park. There you can dump & spread it on the Walking Path. It helps you, and saves the Borough the cost of purchasing gravel for the path.

Municipal Separate Storm Sewer Systems (MS4)

Jacobus Borough is a MS4 community and is covered by the DEP's (Dept. of Environmental Protection) General Stormwater NPDES Permit (PAD-13). Any activities that change the characteristics of storm water runoff must be developed in accordance with the Borough's Stormwater Management Ordinance. Additional MS4 information is available at the Jacobus Borough Municipal Office and DEP's website:
<http://www.depweb.state.pa.us/watershedmgmt/cwp/view.asp?a=1437&q=545499>.

Stormwater Ordinance

Jacobus Borough was required to adopt a new Stormwater Ordinance in order to comply with current Federal EPA* and PA DEP** Stormwater regulations related to improving water quality in the Chesapeake Bay Watershed. With adoption of this ordinance additional costs are incurred with most outdoor building and impervious surface projects. In addition to a Building Permit, anytime impervious surface over 100 square feet is added to your property a Stormwater Permit and a Stormwater Management Plan is required. Examples of projects possibly requiring a Stormwater Permit and Management Plan are, but not limited to: New Building Construction, Additions, Storage Shed, Garage or Car Port, Deck, Gazebo, Driveways, Driveway Extensions or Parking Pads. **Residents and Businesses should contact Jacobus Borough's Building Code Official PRIOR TO beginning ANY outdoor impervious construction project.** Significant penalties are in place for those involved with projects which are not in compliance. The requirements mandated by the EPA and DEP are a result of the departments' Chesapeake Bay Watershed Initiative to 'Save the Bay'.

If you have questions or concerns relating to the Chesapeake Bay Initiative to "Save the Bay", feel free to forward your inquiries to State Representative Ron Miller's office at 717-428-9889. Rep. Miller is Majority Chairman for the PA Environmental Resources & Energy Committee and serves on the Chesapeake Bay Commission, the Joint Legislative Air & Water Pollution Control & Conservation Committee and the Environmental Quality Board.

However it is not a complete list, so be sure to contact Jacobus Borough's Building Code Official/Zoning Officer PRIOR to beginning any projects on your property. Those beginning work without a permit when required may, at minimum, be ordered to stop work & have their permit fees doubled.

Permits and Inspections are required by PA Uniform Construction Code and Local Regulation for the following residential projects:

- ◆ In-ground and above ground pools that are designed to hold 24 inches or more of water, including temporary blow-up pools.
- ◆ Covered or uncovered decks, patios and porches
- ◆ Sheds or other outbuildings
- ◆ Attached and detached garages
- ◆ Driveways (Concrete or Asphalt paved)
- ◆ New Electrical Services
- ◆ ANY addition or structural renovation to an existing residential structure
- ◆ Retaining walls 4 ft. or higher
- ◆ Fences over 6 ft. high (permit not required if less than 6 ft.)

For further information or questions, please call BCO/Zoning Officer Mike Hammers @ 717-870-7753

*Always call PA One Call at 811 before you dig!

OTHER PERMITS

According to Jacobus Borough Ordinance, permits are required for the following:

- **Yard Sales** - You are allowed one (1) Yard Sale permit within a 12 month period. The permit cost is \$10.00 and is good for up to 3 consecutive days from dawn to dusk. Advertising your sale? Please be sure to check the Borough's Signage regulations prior to placing signs in Jacobus by contacting the Municipal Office or on the Borough's website: www.jacobuspa.com. Jacobus Borough offers 'FREE' yard sale days 3 times per year during holiday weekends. In 2013, the 'free' yard sale dates are: **Memorial Day Weekend** - Friday, May 24th thru Monday, May 27th; **July 4th Holiday Weekend** - July 5th thru July 7th; **Labor Day Weekend** - Friday, August 30th thru Monday, September 2nd.
- **Alarm Permits** - Permits are required for the use of an automatic dialing device, alarm device or outdoor audible alarm. An alarm which produces both a fire and burglar alarm shall be considered separate, thereby requiring two (2) permits. There is a one-time registration fee of \$20.00 for the Alarm permit. It is the residents response ability to acquire the permit and to inform the Borough of any changes to the device, including deactivation of the device.

"OTHER PERMITS" continued from page 2...

- **Transient Retail Merchant License** (aka TRML or Solicitation Permit) - Any person, firm or corporation, including local non-profits, desiring to engage in transient retail business in Jacobus Borough MUST obtain a license from Jacobus Borough. The license fee varies in price, from \$10.00 to \$50.00, depending on the period of time for which the license is issued.

Persons not following 'other' permit requirements may be cited by the Police and issued a fine up to \$600.00 by the District Magistrate.

REMEMBER... Businesses and Individuals are required to obtain a Permit issued by Jacobus Borough prior to performing Transient Retail Business within the Borough. Permittees must carry the permit with them while doing business, so be sure to ask to see it any time a Solicitor comes onto your property. Only permits issued by Jacobus Borough are valid in the Borough. Please Call 911 immediately when approached by a Solicitor who cannot produce a valid permit, if you see them continue to solicit once leaving your property, and for any other problem you might have with a Solicitor such as not leaving when asked to do so. York Area Regional Police are actively enforcing Jacobus Borough's Transient Retail License Ordinance and have cited Solicitors for non-compliance. Occasional arrests have been made of individuals who were found to have outstanding warrants when stopped for non-compliant soliciting in Jacobus Borough.

PURTA

Local taxing authorities are encouraged to annually file a 'Tax Receipt Information' report to be considered for a distribution of the Commonwealth's "Realty Tax Equivalent" (RTE) funds through PURTA (Public Utility Realty Tax Agency), a unit of the Bureau of Corporation Taxes at the PA Department of Revenue. The total "RTE" is based on consideration of adjustments made to prior years' realty tax equivalent(s) resulting from continuing resolutions of utility real estate tax appeals throughout the Commonwealth. Jacobus Borough received \$639.39 for its 2012 report filed for Year 2011.

Jacobus Community Park

Spring is finally here! Soon many will be out working in their yards, walking, riding bikes, grilling and enjoying all of the other activities the warmer months allow.

Getting together with your friends and family to talk, play and laugh together is a great way to spend a day and a great reason to plan a picnic!

Jacobus Community Park is available for your enjoyment. You may play for free, but if you need something more, reservations may be made for the use of the park facilities.

Reservation fees range from \$50.00 to \$125.00, plus a \$25.00 refundable security deposit, depending on the facilities you choose to reserve. Contact the Municipal Office at 717-428-1752 for available dates.

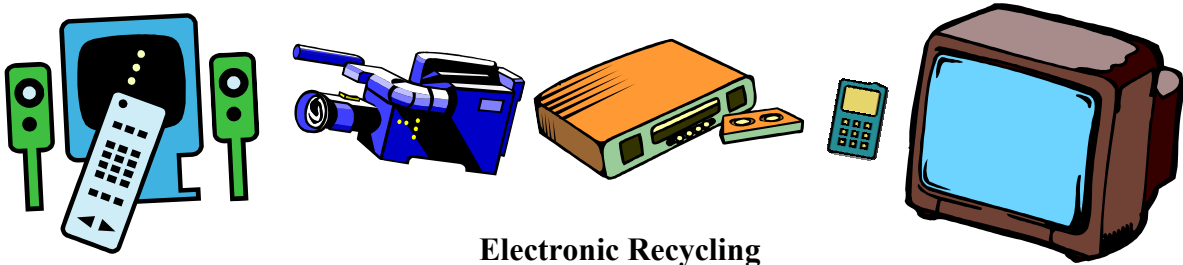

Other Jacobus Parks

Did you know there are other parks in Jacobus for your enjoyment? If you enjoy hiking or just enjoy spending time with nature, visit the Nature Park in "The Woods at Lake Redman" neighborhood. It is a grassy area which connects to the YC Park Trail and at the right time of day or evening it is not unusual to see deer in the area. You can access the park from the parking lot at the end of E. Branch Drive and also by the grass right-of-way at the Cul-de-Sac on E. Greenbriar Drive.

If you want to give your kids a change of pace, visit the Tot-Lot at the corner of Stonewood Drive and Farmington Drive in the Wellington Hills neighborhood. Turn right onto Woodland Drive off of Valley Road and make a left onto Stonewood Drive. The Tot-Lot will be on your left.

COMMUNITY INFORMATION & EVENTS, cont...

“I need an ambulance”! For sixty years, the **Jacobus Lions Ambulance Club** has been providing ambulance service to your community.

At a time when volunteers were plentiful, we were able to provide routine ambulance service as well as emergency ambulance service. Due to more demands, tighter regulations, and stricter policies and training, our volunteer base is very scarce.

We must rely on career staffing which has severely increased our annual budget. With a combined contribution of about \$16,000.00 from all four municipalities, and an annual operating budget of about \$300,000.00, you can see it is quite difficult to maintain operations. Yes, we do bill for services, but with a slash in Medicare, Medicaid, and Insurance payments and an increase in payment defaults, we are far from meeting our budget.

Jacobus Lions Ambulance Club will be calling on you, Our Community Members, to help support your local EMS by contributing to a Capital Campaign Fund Drive this Spring. Your generous donation is GREATLY appreciated and will continue to help us to help you.

Our club is active in community service projects as well as enjoying the friendships developed through the club activities. For more information, please contact Barbra Bick at 717-428-2692.

Thank you to all who contributed to the **Village Library** expansion project. Our new Reading Room is now open, a pleasant setting with comfortable seating offering a place to relax or read or chat with friends. Our expanded area also offers additional space for the collection as well as a place for programs and meetings. Come see it for yourself! We will have a week-long open house (with prizes and refreshments!) during National Library Week, April 15 through 20.

Save the date—Sept. 7, 2013! The York County branch libraries, which include Village Library, are partnering with the York Motorcycle Club in Bikers Book It!, our first annual round robin poker run. Registration starts March 1st. The event will also include food, entertainment, prizes, and silent and Chinese auctions.

Jacobus Community Park – S. Main Street, Jacobus, Pa 17407

The Jacobus 4th of July BLAST is back with more family oriented events for both the young and young at heart. This is a great way for established community members to renew friendships, for new neighbors to get to know your community better, and for visitors to see what a great place Jacobus is. There is something for everyone throughout the day.

The celebration kicks off at 8:45 A.M. with a children’s parade, featuring decorated bikes, non-motorized scooters and wagons followed by an opening ceremony honoring our military. A parade registration form may be obtained from the website listed below.

The festivities are sponsored by the Jacobus Lions Club, Inc with proceeds benefiting the local community. The day will include many familiar activities such as the Village Library Book Sale, Children & Teen Games, Bingo, Chicken Barbeque, Live Entertainment, Kids Tractor Pull, Cake Walk and Blood Pressure Screenings. Our “Beep Baseball” game will be played again as well as a Jacobus Jackals game.

The **JACOBUS BLAST** is food and fun for children & adults alike with entertainment that will delight everyone - all leading up to a **spectacular fireworks display at dusk**. This event is open to the public; there is no fee to attend, although some events may require small charges. **Track the BLAST’s schedule at:** <http://e-clubhouse.org/sites/jacobus/projects.php>, on Facebook, or call contacts listed below.
